[NL] In 'Clouds & Grooves' wordt het klarinetensemble gebruikt als één groot monochroom apparaat. Dense chromatische clusters (clouds) worden afgewisseld met ritmisch repetitieve passages (grooves).

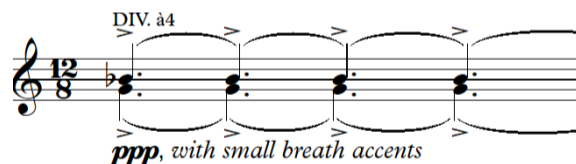

De aanduiding '*breath accents*' in de score wijst erop dat de aangeduide accenten niet aangezet worden met de tong, maar enkel met een snelle, korte luchtstroom vanuit het middenrif:

Dit stuk werd geschreven voor ensemble Claribel.

[ENG] In 'Clouds & Grooves' I use the clarinet choir as one big monochrome machine. Dense chromatic clusters (clouds) interchange with rhythmical groovy passages.

When the indication '*breath accents*' is mentioned in the score, it means that the given accents are not played with the tongue, but only with a fast, short breath support from the diaphragm:

This piece was commissioned by ensemble Claribel.

Duurtijd/Duration: +/- 7 min.
